TECHNICAL SPECIFICATIONS

Density approx.:	1,01 g/cm ³
------------------	------------------------

STORAGE CONDITIONS

Keep in a dark, cool place, in an upright position, during storage or transportation.

PRODUCT DESCRIPTION

Descaler is an extremely powerful, concentrated foam spray for the easy removal of (stubborn) limescale.

FIELD OF APPLICATION

Suitable for in the bathroom, including shower cabinets, tiles, taps, basins and shower heads. Descaling the toilet bowl and other sanitary equipment.

PROPERTIES

- Extremely powerful, easily removes stubborn limescale
- Leaves a dazzling shine
- Long term protection: contains metal protector
- Fresh smell

PREPARATION

Surface Requirements: Do not use on natural stone such as marble, granite and travertine, or household equipment such as electric kettles, or metals such as gold, silver, aluminium or on copper, enamelled or painted surfaces, and surfaces sensitive to acids.

APPLICATION

Directions for use:

Rotate the spray head a quarter turn to ON. Spray undiluted onto the surface to be cleaned and allow it to work in for a few seconds. In the case of stubborn limescale, give it a few minutes, but no more than 5 minutes. Rinse or remove it with a damp cloth or dishcloth. Repeat this process if necessary. Rotate the spray head to OFF after use.

Points of attention: Before starting it is recommended to test the product on a small, unseen area.

Our advice is based on extensive research and practical experience. However, in view of the large variety of materials and the conditions under which our products are applied, we assume no responsibility for the results obtained and/or any damage caused by the use of the product.
